

# TEKNATH JHA

## CSE Undergrad'23

@ jhateknath64@gmail.com    Sangli, India  
+91-9323451278    Teknath-jha

## SKILLS

- Programming Languages : C++ | C | Java(familiar)
- Data Structures | Algorithms
- React | React-Native | Django
- HTML/CSS | JS(familiar) | Bootstrap
- SQL | MongoDB | Firebase | Nodejs
- Git | GitHub

## ACHIEVEMENTS

- Smart India Hackathon 2022 finalist
- Winner of 2nd coding Heist
- Rank 2 in codefusion 22.04
- Rank 3 in pulzion by PICT
- 6 star coder at Hackerrank
- LeetCode 3 star solved 800+ problems
- secured global rank 1017 in TCS codvita 2022
- Global rank 1551 codeChef (june 2022 long challenge)
- Hackerrank intermediate certified
- Runner-Up in Impulse'22
- Google cloud security

## PROFILE

- GitHub : Teknath-jha
- LeetCode : Teknath-jha
- HackerRank : Teknath\_jha
- HackerEarth : Teknat\_jha
- CodeChef : teknath64
- LinkedIn : Teknath Jha

## AREA OF INTEREST

- Databases
- Operating System
- Competitive Programming
- Web Development
- Cloud computing

## STRENGTHS

- Teamwork
- Problem Solving
- Communication
- Self motivated

## ACADEMIC BACKGROUND

Walchand College Of Engineering | Sangli | India

📅 Pursuing B.Tech in Computer Science & Engineering

- Batch: 2023 | CGPA : 8.89

Vidhyavardhani college | Palghar | India

📅 XII (H.S.C), Science , 2019 | Score : 82.92% | MHT - CET : 1010 (RANK)

Lokmanya English High School | Palghar | India

📅 X (S.S.C), 2017 | Score : 90.08%

## EXPERIENCE

Technology Analyst | Intern | Optebiz

📅 07 2021 – 10 2021    📍 Mumbai, India

- Java | Hibernate | Ignition | DBeaver
- Application of appreciation
- Developed modules which interact with Hibernate with maintaining sessions of particular .
- Tested same with ignition and designer testing tools.
- Used Dbeaver | SQL during development for data fetching.

## PROJECTS

Saahitya | 🔄 | 🌐

- MERN
- Saahityam is common platform for students who wants to sell or exchange their materials which are not in use for him/her any more to someone who actually needs but in cost effective manner.

WCE Value Added Courses | 🔄 | 🌐

- Django | MySql | BootStrap
- Developed and deployed an educational portal where outside student will enroll for interested courses offered by wce faculty .

Doc-Tracker | 🔄

- Django | MySql | BootStrap
- Web portal which keep track of all documents submitted in College Office. One can get realtime status of submitted documents via emails.

Ice cream shop | 🔄 | 🌐

- Django | MySql | Razorpay | BootStrap
- This application contains simple demonstration of payment gateway via Razorpay for buying ice-creams.

## EXTRA-CURRICULAR

**Club Service Director** | ACSES

*Managed national level mega events, weekly club services, social IT awareness events, etc*

**Problem Setter** | ACSES

*'CodeKombact' arranged by WCE ACSES Club under TECHU-MEN'20.*

**Developer** | ACM

*Developed and maintaining ACM | RAC websites continuously .*
